

Chapter 15.08

LICENSES AND CONTRACTORS

Sections:

15.08.010 Licenses required.

15.08.020 Contractors' responsibility.

15.08.010 Licenses required.

A. It shall be unlawful for any person to perform electrical work for which a State license is required without such license.

B. It shall be unlawful for any person to perform plumbing work for which a State license is required without such license.

C. It shall be unlawful to engage in gas-fitting work without having been certified by the City as a gas fitter. Applications for such certification shall be made on forms supplied by the City and be accompanied by a certification fee in the amount of \$10.00. All applicants will be required to take and pass a gas fitters certification examination prior to being certified. No certification shall be administered without proof of two years apprenticeship to a certified gas fitter. Such certification may be revoked with reasonable notice and hearing if the City Council finds the gas fitter has violated any of the provisions of this Title 15 or of the Codes adopted by reference herein. (Ord. 7, §1(part), 1986)

15.08.020 Contractors' responsibility. The City Council may revoke the right of any person to obtain any permit under this Title 15 for a period of up to two years if it determines, following reasonable notice and hearing, that such person has violated any of the provisions of this Title 15 or of the Codes adopted by reference herein. (Ord. 7, §1(part), 1986)
